

FIG - 1

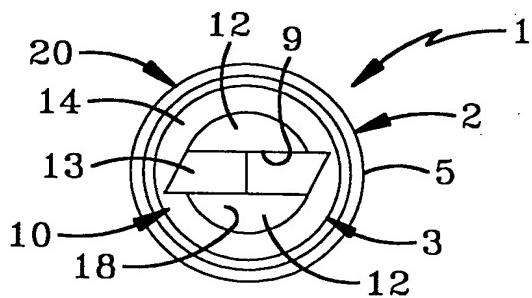

FIG-4

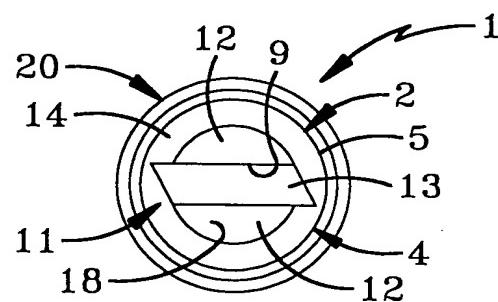

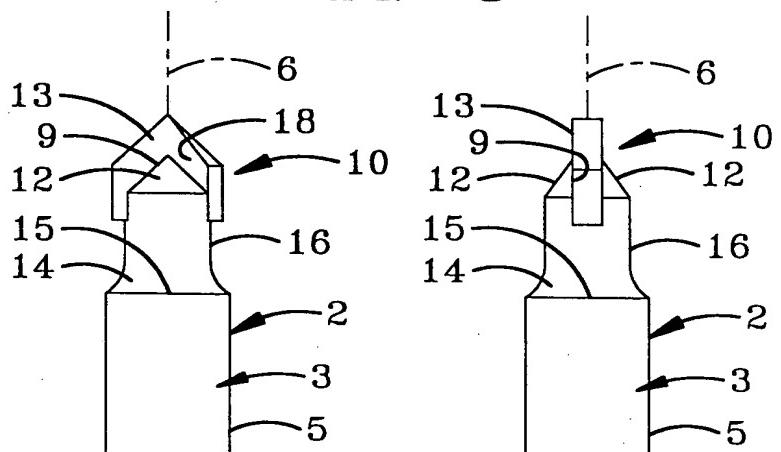

FIG-5

The diagram shows a U-shaped tube assembly. At the top, a vertical tube section labeled 15 has a horizontal tube section labeled 16 branching off to the left. A curved tube section labeled 14 connects the vertical tube to the horizontal tube. At the bottom, a horizontal tube section labeled 9 has a curved tube section labeled 13 branching off to the right. A horizontal tube section labeled 12 connects the bottom horizontal tube to the bottom of the U-shape. An arrow labeled 11 points to the left end of the horizontal tube 16. Another arrow labeled 1 points to the top of the vertical tube 15.
